Netzwerk frühe Kindheit

**KoKi offers counselling and support
for Regensburg parents from pregnancy until their
child is three years old:**

- for questions about pregnancy and birth
- for questions about development and parenting
- to strengthen the bond with your child
- with the mediation of early help
- when making contact with suitable contact persons
- free group programmes
(including baby massage, complementary food cooking course, parents' café)

**A good start to a child's life
What happens when I contact KoKi?**

Parents can contact us, for example:
⇒ Voluntarily, free of charge, quickly, easily, confidentially and anonymously if you wish

- for worries and uncertainties
- in case of overload and helplessness
- if there is a lack of family support
- in difficult life situations
- in case of exhaustion and excessive demands
(e.g. because your baby sleeps little or cries a lot)
