

An illustration of a sustainable city on a globe. The globe is held by two hands. On top of the globe are a blue house with a brown roof, a yellow house with a brown roof, a green recycling bin, a blue solar panel, and a green tree. In the background, there are more trees and a wind turbine.

Hr. Prof. Dr. Michael Braungart, der Zukunftsforscher spricht

Zero Waste oder Kreislauf denken – Was führt uns in eine nachhaltige Zukunft

am 13. Juni 2023, 10 bis 12 Uhr

Thon-Dittmer-Palais, Haidplatz 8, 93047 Regensburg, Zi. 219
